

A Valuable Resource for Parents

Claire Silva, author of *A Child's Heart Speaks: Surviving Sexual Abuse*, is passionate about protecting children from sexual abuse. After learning of the terror her two young children experienced at the hands of their 11 year old step-brother, Silva vowed to educate parents so they would not face a similar family tragedy.

Readers of *A Child's Heart Speaks: Surviving Sexual Abuse* will learn:

- **How to prevent the crime**
- **Warning signs of adult and juvenile perpetrators**
- **Signs that a child may have been violated**
- **What to do if you suspect sexual abuse**
- **How to support survivors and their families**
